

Middle Leadership Development Programme

For Current and Aspirant leaders in Secondary and Primary Schools

This school-orientated programme will consist of a series of sessions which will focus on developing the skills of Middle Leaders, building capacity and leading for improvement within your school. It is suitable for current and aspiring Middle Leaders, including Subject Leaders, Team Leaders and faculty leaders. It will be rooted in you gaining an understanding of what, as a leader, you should be doing and sharing.

Programme outline and details

Face to Face Session 1 – Roles, responsibilities and accountabilities of leaders

Task One – completed within school

Face to Face Session 2 – Self Evaluation for Impact and Action Planning

Task Two – completed within school

Face to Face Session 3 – Sustaining the improvement through those you lead

Task Three – planning for your Action Research Project

Attendance at all 3 training sessions is essential.

Whilst some parts of the training will be cross-phase, the course will be split into Primary and Secondary sessions with specific, bespoke support and coaching in school from a Primary or Secondary senior colleague for the tasks and Action Research Project.
